JL

TRAINING SEMINAR

WeatherBond will be hosting a “hands-on” training seminar for J&L customers to learn more about EPDM. We will cover details, new products and hands-on training. We will briefly touch on TPO and PVC but the focus will be EPDM. Training is held at the new state-of-the-art Training Center in Carlisle PA.

March 24, 2025
8:30am-4pm

Carlisle Training Center
